EXPERIENCE

1. Freelancer (2019 - present)

Working for the client on Fiverr on platforms like Squarespace which doesn't let the user do much, so with front end coding I make sure that they get their desired needs fully filled, I have good experience in fixing front end bugs.

2. Vizmo (Saas) Internship (Nov 2019 - Jan 2020)

Worked as Front end developer intern, It was a wonderful experience.

• Achievements

- Learned Vuejs, Vuex, Typescript successfully
- Understood their signup flow
- Migrated company dashboard to vue typescript
- Developed new company website.
