

MOHIB ARSHI

WEB DEVELOPER

PROFILE

I see myself as a growing developer and looking forward to work with a team and grow together.

EXPERIENCE

Freelancer (2019 - present)

Working for client on fiverr on platforms like squarespace which doesn't let user to do much, so with front end coding i make sure that they get their desired needs full filled, I have good experience in fixing front end bugs also.

EDUCATION

Dayawati Modi Academy

- Intermediate (2015 - 2016)

Bharti Vidyapeeth, School of Distance Education

- Bachelors of Computer Application (pursuing)
